

Coronavirus Update. 17th March 2020

In light of the impact that Coronavirus is having around the world – we want to ensure that we are part of the solution rather than part of the problem.

With this in mind, and given the restrictions placed on gatherings and social interaction, we have suspended our Church services and activities until further notice.

This is very difficult news to share - but - we have a duty to play our part in loving and protecting our community.

So - to clarify - there will be no church services or meetings at St John's until further notice.

In addition to this Home Groups also should not meet at this time.

Although we cannot meet together we can:

- Pray for each other.
- Make phone calls.
- Send emails.
- Help people with shopping.
- Engage with online teaching and worship.
- Stay close to Jesus - spending quality time with him - maybe in new and deeper ways.

You can follow the church and engage with us via the church facebook page where regular posts, links and videos will be posted over the coming days and weeks.

Please let us know if you are unwell or self-isolating. There are many who want to help.

Let's stay close to God and close to each other - as best we can - in this testing time.

God is with us - always.

Tom
